## **FOR IMMEDIATE RELEASE**

### **Shriners Hospital Receives First-Class Care from Mission Linen Supply**

#### **Linen Supplier's Experience and Focus on Partnership are the Perfect Prescription for Northern California Children's Hospital**

Santa Barbara, CA –May 7, 2013—Mission Linen Supply, a leader in textile rental and buy direct programs, announced today that it has been awarded a contract by Shriners Hospitals For Children -- Northern California in Sacramento, CA. Under the agreement, Mission Linen will provide healthcare linen and apparel products to the Shriners regional pediatric medical center in Sacramento.

Children from throughout California and the West benefit from the expert burn, orthopaedic and spinal cord injury care provided by Shriners Hospitals for Children - Northern California. The world-class research and medical teams are wholly dedicated to improving children's quality of life and health. The agreement with Shriners marks the third pediatric specialty acute care hospital that Mission Linen Supply has signed.

Tim Blankenship, Healthcare Account Executive for Mission Linen Supply, spoke about the satisfaction that comes from partnering with Shriners. "There is something special about providing services to a healthcare organization that works to alleviate the suffering of children," Blankenship stated. "Our two companies share a commitment to service and excellence. Mission's willingness to help Shriners evaluate and re-structure their entire linen and uniform needs gave them the assurance they needed to change the way they were doing things."

Mission Linen's plant in Sacramento, CA will provide the full range of general and healthcare linen rental products.

#### **About Mission Linen Supply**

Mission Linen Supply is a privately held company and a leading provider of rental products, services and supplies to hospitality, medical and industrial businesses. The company's mission is to maximize customer profits and operating efficiencies by offering them one-stop shopping for their linen and industrial needs.

Mission Linen Supply manages more than 40 plants and employs twenty-five hundred people in California, Arizona, Texas, New Mexico and Oregon. The company relies on technology and environmentally-minded vendor partners to conserve resources and reduce waste. Founded in 1930, Mission Linen Supply is headquartered in Santa Barbara, California and is located on the web at [www.missionlinen.com](http://www.missionlinen.com).
